SOLVIX SOFTWORKS — WORDPRESS FRONT-END FREELANCER AGREEMENT

This Agreement is made on 28/06/2025, between:

- **Solvix Softworks, ("Company")**
- **Tharun, ("Freelancer")**

1) Scope of Work :

The Freelancer agrees to:

- Design and develop front-end components for WordPress websites as per the brief provided by Solvix Softworks.
- Ensure all designs and builds are responsive, performance-optimized, and align with client branding.
- Make modifications as required until final client approval is obtained.

2) Ownership & Intellectual Property :

- All work (code, designs, assets) produced under this contract is the sole property of **Solvix Softworks**.
- The Freelancer has no rights to reuse, resell, or distribute any part of the work without written permission.
- **Ownership of code/design passes to Solvix only after Solvix has paid the Freelancer.**

3) Confidentiality :

- The Freelancer shall not disclose any information about Solvix Softworks, its clients, or projects to any third party without prior written consent.

4) Revisions & Bug Fixing :

- Up to 3 rounds of revisions within the agreed scope until client approval.
- 30 days bug-fix period post final delivery.

5) Termination :

- Either party may terminate this agreement with **7 days' written notice**.
- If terminated, the Freelancer will be paid for **client-approved work only**, once client payment is received by Solvix Softworks.

6) Non-Compete Clause :

- The Freelancer agrees not to directly or indirectly offer the same services to Solvix Softworks' clients for a period of **12 months** after the completion of any project.

7) No Direct Client Contact Without Permission :

- The Freelancer shall not contact Solvix Softworks' clients directly without prior written consent from Solvix.

8) Code Quality & Standards :

- All code must follow **WordPress coding standards**, be clean, secure, and well-commented.
- Solvix Softworks reserves the right to reject work that does not meet quality standards.

9) Right to Substitute Developer

- Solvix Softworks reserves the right to replace the Freelancer or assign the work to another developer at any time without penalty.

10) Indemnity Clause

- The Freelancer agrees to indemnify and hold Solvix Softworks harmless against any claims, damages, or liabilities arising from:
    - Use of unauthorized third-party code
    - Copyright-infringing materials included in the work

11) Payment Terms

- **Approval Condition:**

  All work must be approved by the client before any payment is released to the Freelancer.

- **Client-Dependent Payment:**

  Solvix Softworks will release payment to the Freelancer only after the corresponding payment for that stage is received from the client. The Freelancer agrees that no payment will be made in advance by Solvix Softworks without client funds being received.

- **Payment Split Structure:**
  The total agreed payment for the task/module/project will be split and paid as follows — each stage payment will be released only after Solvix Softworks receives the client's payment for that stage:

1. **15% — At project start (after client confirmation + payment received).**

2. **15% — After product listing completion (client-approved + payment received).**

3. **15% — After Razorpay/payment gateway integration (tested, client-approved + payment received).**

4. **15% — After final project handover (client acceptance + payment received).**

- **Project Expenses:**
  Any direct project-related expenses (domains, hosting, plugins, third-party services, etc.) will be deducted as applicable before final settlement. Expense details will be shared with the Freelancer on request.
- **Mode of Payment:**
  Payments will be made via UPI / Bank Transfer only.
- **Agreement for Changes:**
  Any change to this payment structure requires written consent from both Solvix Softworks and the Freelancer (email/WhatsApp confirmation acceptable).
